[Producer](#)[Producer Secure Information](#)[MAIP Policy Application](#)**MA Application**[Assignments](#)[MAIP Policy Application](#)[Void Assignment](#)

The application collects driver, vehicle and coverage information, through direct data input or through an Agency Management System upload, for purposes of assigning a policy to an Assigned Risk Company.

[MAIP eStamp](#)[Non-Compliance](#)[Producer Profile](#)[Company Directory](#)[Assignments](#) [Archived Assignments](#)[Manuals](#)

The application provides a producer the ability to view and manage applications that have been assigned to an Assigned Risk Company through the MAIP Policy Application. The latest 5 years of assignment information can be retrieved using Assignments link. Prior data can be retrieved using the Archived Assignments link.

[Help](#)**Void Assignment**

Allows a producer to void assignments that have been made during the last 2 business days.

Non-Compliance

Producers may view or submit a complaint identifying an ARC's alleged non-compliance with the ARC Performance Standards. Producers may view or respond to a violation filed by an ARC, identifying the ARP's alleged non-compliance with MAIP Rules and/or established performance standards.

Producer Profile

The Producer Profile application allows a producer to view and update their license information as well as view their contact, exposure, premium, loss ratio, book of business, and compliance information.

User & Security Information**Security Administration**

Producers may view their account information and change aspects of it including their password and security questions. Security Administrators (of whom are a designated person at an agency) will have further control over their agent's accounts.

Company Directory

Provides a link or email address to each Assigned Risk Company in order to provide information relative to policy issuance, billing or claims reporting.

Manuals

View manuals that are pertinent to producers, including the Assigned Risk Producer Procedures Manual, the Assigned Risk Company Procedures Manual, the MAIP Policy Application Manual and the Residual Market/MAIP Rates and Rating Manuals.
